About Sense International

Sense International is the only international non-governmental organisation dedicated to supporting people with deafblindness and their families around the world. Sense International supports programmes in Kenya, Tanzania, Uganda, Romania, Peru, India, Bangladesh, and Nepal.

Sense International 2022-2027 strategy aims to remove barriers in societies and systems, so that people with deafblindness are fully included and can fulfil their potential, in line with the UN Convention on the Rights of Persons with Disabilities and the 2030 Sustainable Development Agenda.

Sense International is an independently registered charity and is a subsidiary of Sense UK. Sense International works closely with Sense on all aspects of its work.

About the Sense International Finance team

The Finance Team plays a crucial role in managing the financial resources of Sense International. Our team ensures the financial health of the organisation, supporting UK and all countries we work in internationally to achieve their goals through sound financial practices and comprehensive financial oversight.

Our responsibilities include financial management, financial reporting, budget management, forecasting and planning, income and expenditure management, and finance systems management. The Sense International Finance Team also supports our global entities particularly East Africa, Peru and Romania on financial management, budget development and forecasting and finance systems management alongside supporting preparation of statutory accounts in these geographies.

The Sense International Finance Team works closely with the Sense Finance Team on all aspects and is also accountable to the Sense Finance team. The function of UK statutory accounting for Sense International sits mainly with the Sense Finance team and is closely supported by the Sense International Finance Team.
